

ORDERS

FEATURE SUMMARY

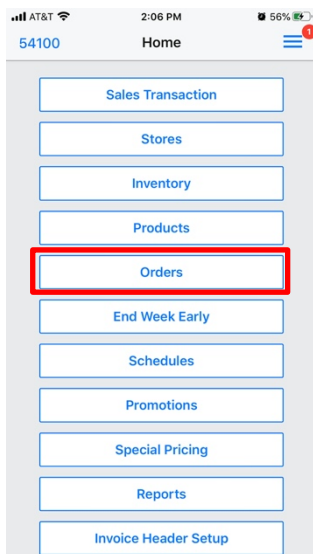

Principle distributors and location operators will now be able to see orders all on one screen. You will be able to,

1. see orders for all locations on one screen
2. view who last modified an order

FEATURE HOW-TO GUIDE

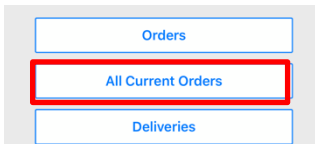

1

On the Home screen, tap on “Orders.”

2

You will then see multiple options under the Orders Menu. Tap “All Current Orders” to view the orders for your business.

3

You will be able to see who last modified an order and how many cases were ordered. You will also be able to create/submit or edit/re-submit from this page.
